**U. S. OIL IMPORTS AND EXPORTS**—Chart shows ups and downs as we buy and sell petroleum products in the world market. Note that greatest export year was wartime 1944, when we were shipping 567,300 barrels a day of crude oil and refined products abroad. Only in 1948 did imports exceed exports. Last year we imported 519,800 barrels a day, exported only 368,700. Figures, from Bureau of Economic Warfare, Oil and Gas Division, do not include transactions by the U. S. military.

**UNCLE SAM'S OIL STOCKS**—Lower chart shows amounts of crude and refined petroleum products on hand from 1930 to last year. Although the total for 1948 is slightly larger than that for 1933, it is dangerously low. Note on top chart that 1933's 602,188,000 barrels represents 225 days' supply. Due to vastly increased consumption, 1948's 607,302,000 barrels represents only 92 days' supply at present rate of demand.

She is also a member of the Alpha Psi Omega national honorary dramatics fraternity.

Mr and Mrs Russell David Shields and son Tommie left Thursday June 2, for their home in Stockton, Calif. following a ten day visit here with his parents and other relatives.

Mr. and Mrs. Orin Meador and son Neal accompanied by their daughter and husband Mr. and Mrs. Wallace Hissner and daughter Susan, left Saturday for California where they will visit Mr. Meador's brother at Los Angeles. They will visit other places in California.

Bob Mutz, employee of The Sweet Springs Truck and Tractor Co. received burns on his arms and face from sulfur dioxide gas while working on a refrigerator unit. The extent of the injuries could not be determined immediately. After receiving treatment at Dr. Day's office, he was taken by ambulance to an eye specialist in Sedalia for further examination.

Among those who spent Memorial Day here were Mr. and Mrs. Harry Williams, of Kansas City, Mrs. Victor Tisdale of Lee Summit, P. H. Hilde and Mr. and Mrs. Hampton Fisdale and son Hampton of Bonnyville.

Mrs. Edward Reavi went to Fulton and was accompanied home by her daughter, Miss Mattie Lou Reavis, who has been attending William Woods college there.

Mr. and Mrs. Charles DeRiklin and daughter Peggy Jean of Chicago attended the funeral of his uncle Harry Fairlie.

Howard Reeds left for Pontiac, Mich. to visit his sister Mrs. N. H. Liggett, Mrs. C. F. McCourt and Mr. and Mrs. J. C.

Reavis  
Mrs. C. A. Jackson went to  
Fulton and were accompanied

Mrs. Ida Ritter, 111 of Mi  
P. C. Hillbrenner of the city  
died at 2:40 o'clock Friday morn  
ing at Fitzhugh hospital in Mon  
mouth, where she has been a pa  
tient the last several weeks. Mis

Ritter was well known here having lived with Mrs. Hillebrand in an illness of years before her death. She was born at Hugginsville on October 29, 1866 and was the daughter of the late Gus and Caroline Ephraus Ritter. She is survived by four brothers and four sisters, Albert, Lawrence, Weldon and Phillip Ritter, of Hugginsville; and Mrs. Mary Ritter, of Hugginsville; Mrs. Anna Leber, of Moberly; Mrs. Homer Leifman Hugginsville and Mrs. Hillebrand. Also surviving are a number of nieces and nephews. Funeral services were held at the Grace Methodist church in Hugginsville at 3 o'clock on Monday afternoon. Mrs. 292 Interment was in the Evangelical cemetery at Hugginsville.

Charles Schamhorst died Friday night of a stroke at his home in Sweet Springs.

Funeral services for Harry Lucely, 36, were held at the Carter funeral chapel at 2:30 o'clock Sunday afternoon. May 20. Rev. Gilbert Verlan, pastor of the

Christian church conducted the services. "Old Hugged Cross," "Lace to Face" and "Abide With Me" were sung by Mrs. Hugh Hill, Mrs. Glenn Wilder, D. F. Smith and A. I. G. Sell with Mrs. John Hythe as accompanist. Friends and relatives acting as pallbearers were John Hagan, Claude Burnett, Robert Jenkins, W. V. Turner, I. H. Summons and John H. Buile. Burial was at Mt. Zion cemetery at Dunklinburg, where

Mr. Fredly was the son of G. H. and Cordelia Fredly and was born at Quincy in March 18 1893. He came to Sweet Springs in 1916. On November 14, 1911 he was married to Lola Simmons who

He died him in death March 1912. Four children were born to this union, one son having died in infancy. The surviving children are Ralph, Fredly of Lincoln, Mr. J. V. Chambers of Lincoln, City, La. and James C. Fredly of Kansas City. He leaves two brothers, J. The Thursday club met June 9 at the home of Mrs. Oliver Senter with fifteen members and four visitors present. The meeting was opened with the singing of the club song "Song of Peace." For the devotional Mrs. Senter read the first Psalm. The texts answered toll call by stating their favorite verse of Scripture.

A book review was given on "Marty Wackfield" by Mrs. A. M. Senter. The book was read by Mr. and Mrs. Robert Hunter, who were married at 11:00 o'clock on June 9 at the home of the bride's grandmother in England. The mother and brother drove to the Senter home where the present vows were pronounced. The bride is the daughter of Mr. and Mrs. George Lewis, of Knob Noster. Referees were served by the hostesses with Maxine A. Bybee in July.

WOULDN'T IT BE FUN  
TO GIVE DAD  
SOMETHING  
DIFFERENT  
THIS FATHER'S DAY?

THIS IS THE ONE  
*of America's Four Finest Automobiles*  
THAT IS MOST MODERN, YET COSTS '875 TO '2,387 LESS\* TO BUY

This year, when America's four finest cars are compared, it is apparent that one has created a new degree of motoring luxury.

Because now, for the first time, one is scientifically designed and built with the Unitized body-and-frame—the new, more modern way to build an automobile.

This one car is the new 1949 Nash Ambassador.

This one car has carried aerodynamic styling even to enclosure of front and rear wheels.

This one car achieves record roominess in passenger and luggage space.

This one car has a lower center of gravity, measurably greater stability on curves and at all road speeds.

This one car has America's only valve-in-head, high-compression engine with 7-bearing crankshaft 100% counterbalanced. Its fine engineering produces gasoline economy up to 30% greater than the others.

This one car has features not to be found in any other of America's four finest cars—yet it costs \$875 to \$2,387 less\* than the other three. Costs less to buy . . . costs less to operate.

Your Nash Dealer is eager to have you see and drive the Nash Ambassador today.

\*As shown in comparison in Automobile News, May 30, 1948.

**ONLY THE MOST MODERN OF AMERICA'S FOUR FINEST CARS OFFERS ALL THIS**

**Famous High Compression.** Valve-in-head Ambassador engine with the jeweled smoothness of a 100%, completely counter-balanced 7-bearing crankshaft—like the power-plant of the world's most expensive automobile.

**Automatic Overdrive!** All the ease of semi-automatic transmission, without slipping, lag or power loss.

**Automatic Weather Eye.** Fresh air ventilation and heat control. You never have dust, or know cold, hot front or back, in any weather.

**Smoothest Ride!** Of the four finest cars, only Nash offers the smooth, silent ride of coil springs cushioning all four wheels.

**Ideal Head-Room,** leg room, elbow room and luggage space—and all in a low-alhouette automobile.

**Twin Beds for Napping,** while your partner drives, or luxurious sleeping car comfort at night. Available only in Nash.

**Grid-Iron-Built Unitized Body** and frame—exclusive Nash design—rigidly welded unit.

more rigid, safer, virtually rattle-proof and squeak-proof

**None of all Four Finest Cars,** the Nash Ambassador offers the unique Conquest Control—11 mile per hour carburetion—Undivided, curved Windshields in all models.

**Need Another Tractor?**

If you're watching the weeds grow in the corn when the haying can't wait—worrying about planting when there's still more plowing and harrowing—or wishing the manure would haul itself when the big tractor's busy... you need another tractor.

With a Farmall Cub, you can plant, cultivate, or mow 12 acres a day... rake at 3 miles an hour... haul faster than a team. And you can spray, pump, run an elevator, plow snow, saw wood, shell corn, grind feed... a hundred other jobs too small for the big tractor.

Come in and see the Farmall Cub. It may be just what you need.

## The Daily Washington Merry-Go-Round

by Drew Pearson

**Tucker Indicted**

Chalk up another sensation—al expose for the Merry-Go-Round with the indictment of Preston Tucker last week. Ever since July 6, 1947, Drew Pearson has been prying into the operations of the automobile promoter.

Tucker was indicted on June 10, 1949. Exactly one year before this, on June 10, 1948, Pearson made his most sensational charges against Tucker—among them that he had engaged in mail frauds in promoting his car, that he had no steel to build his cars, that he had gone far beyond the SEC bounds in selling stock to the public. One year later, Tucker was indicted.

WASHINGTON, June 15—White House insiders marvel at the way Secretary of State Acheson reports to President Truman on almost every detail of the Paris conference. The White House is almost as up-to-date on what the foreign ministers are talking about as Acheson's own assistants in Paris.

Acheson tells friends that he learned about White House reporting from Jimmie Byrnes; for it was Jimmie's failure to send detailed reports to the president that led to his first break with

Truman. Acheson relates how, when Byrnes attended the Moscow conference as secretary of state, he sent almost no reports to Truman. Thereby hangs part of the still-unfolded mystery of why the popular and sometimes impulsive Jimmie Byrnes suddenly resigned.

Acheson, who was acting secretary of state while Byrnes was in Moscow in 1946, has told part of the story to close friends. During that time he saw the president five times a week, in addition to being summoned on other occasions and was constantly embarrassed at not being able to report on what was happening in Moscow.

Several times Acheson cabled Byrnes asking for reports, but sometimes he never even got an acknowledgment. Dean figured that the messages went to Jimmie Byrnes' devoted secretary, Miss Cassie Connors, who probably reasoned to herself that Byrnes was tired and shouldn't be bothered with reporting to Washington.

At one time, Byrnes cabled "Tell Maud (Mrs. Byrnes) that my cold is better." But he cabled little or no information to Truman.

**Newsman Scoop Government**

What got Truman particularly irked was that the final protocol signed at Moscow was broadcast by the Moscow radio long before Byrnes cabled it to the state department. Therefore, the president, who had flown out to Independence, Mo., read the final results in the morning papers almost before he got a report from the state department.

Truman was further irked when Byrnes, flying back from Moscow, sent a message to Bill Benton, assistant secretary of state for public information, telling him to arrange for a radio broadcast in which Byrnes would report to the American people.

When Byrnes arrived, Acheson went to the airport to meet him and, while driving home, Jimmie counsel mentioned his forthcoming broadcast. "What broadcast?" asked Acheson. Byrnes told him.

**Argument in Limousine**

Knowing that Truman was irked, Acheson hinted that it would be wise to report to the president before going on the air.

Truman, however, had gone down the Potomac on the yacht Williamsburg—perhaps as a deliberate rebuff to Byrnes. This made the secretary of state highly indignant, and Acheson had a hard time explaining that this was Truman's only way of escaping a constant stream of callers. Truman, he explained, had been just as busy as Byrnes.

This led to a heated argument between Byrnes and Acheson while driving from the airport; but, in the end, the secretary of state flew down the Potomac to see Truman, got stranded by bad weather and became further annoyed when Acheson implied that he hadn't fully reported the Moscow proceedings. To settle the argument, Acheson had a complete set of the telegrams he sent to Byrnes, and the replies Byrnes had sent him, placed before Truman so he could judge for himself.

This incident was the first time the sparks flew between Truman and Byrnes.

Things calmed down later. But the real fact is that Jimmie's scummy reporting of the Moscow conference started the chain of circumstances that led to his sudden resignation.

**Truman's Suspicion**

There was always a suspicion in Truman's mind that Byrnes, older, far more experienced, and a candidate for the vice presidency at the 1944 Chicago convention that nominated Truman, looked down on him, constantly recalled that save for a twist of fate he would be in Truman's shoes.

With years of experience behind him—in the Senate, on the supreme court, as war mobilizer—Byrnes frequently acted on his own without clearing policies with Truman.

Not robust in health, he also pushed himself so hard that his doctor eventually told him he would have to resign or shorten his life. So Byrnes wrote the president a cordial letter explaining the circumstances, said there was no immediate hurry and suggested he might step out after the New York meeting of the United Nations in the winter of late 1946.

But while Byrnes was in New

## He Coaxed it in, What's He Crabbin' About?

York conducting the U. N. meetings, he learned that Truman had sounded out Gen. George C. Marshall about becoming secretary of state.

This confirmed an earlier report, officially denied by the White House, that Truman wanted to replace Byrnes with General Marshall. This time Jimmie hit the ceiling and called Truman on the telephone. Truman also got irked and told his secretary of state to go home a seditious.

This was too much for the warm-hearted, impulsive Jimmie. He sent a perfunctory telegram to the president. It read: "In view of your unsympathetic attitude, I resign immediately."

Truman, also sore, took Byrnes at his word. His appointed Gen. Marshall almost immediately as secretary of state.

Note—Acheson tells friends how Marshall, in contrast to Byrnes, always answered every telegram sent by the state department or White House during international conferences. At Moscow, Marshall detailed a special secretary to acknowledge all letters and telegrams. Sometimes the telegram merely informed the White House that Marshall would be stuck in conference for the next three hours and therefore couldn't answer. Real difference between the two men was that Byrnes played diplomacy by ear, didn't have time to send reports. Marshall, on the other hand, couldn't play diplomacy except by paying close attention to the musical score.

**Hawaiian Crisis**

President was receptive, but noncommittal, when delegate Joe Farrington of Hawaii urged him to intervene personally in the longshoremen's strike that has paralyzed shipping to and from the islands.

"The strike is now in its 30th day, with no prospect of settlement," Farrington reported. "Federal conciliators have had no luck, nor have local authorities. All shipping is blocked, with the result that the health and welfare of our people are in grave jeopardy."

"It appears now that only the full power of the federal government can break the strike."

Truman replied that several "avenues of action" were being studied by the justice department, but added that he doubted he had "adequate authority" to intervene personally.

"Why don't you ask Congress for the authority, Mr. President?"

## Just how high is "HIGH COMPRESSION"?

**WHEN** the talk turns to cars and car engines these days, that's a topic you hear much about.

So it's fairly interesting to note that, even back before the war, Buick engines like this one were touring the testing grounds with compressions as high as 10 to 1.

Even later than that this same big Buick power plant has been filling our engineers' notebooks with data on 8 to 1 compression ratios.

What has come out of this? Two or three interesting points.

First of all, that this big Buick Fireball valve-in-head straight-eight already has a compression ratio that gets as much out of present fuels as any engine on the market.

Next, that these ratios can readily be stepped up to fit higher octane gasolines as they become available.

And probably most important of all, that high compression is only one measurement of a good engine.

There's the fundamental matter of engine efficiency—power output per cubic inch of displacement, engineers call it. On that score, Buick stands where it always has—just about tops in its field!

Which means, in very simple words—better go see for yourself.

The fun you get from your car—the pleasure and satisfaction it gives you—are best measured in just one place—behind the wheel.

So we invite you to see your Buick dealer for a firsthand test of Buick. Take it in your own two hands and find out how good it feels, how full of get-up-and-go.

It won't take long to make it pretty clear that the place to get your order in is the place where you get Buick power.

# Lack of Ready Cash no Problem For Early Settlers

(By the State Historical Society of Missouri at Columbia, Floyd C. Shoemaker, secretary)

Missouri's first banknote had a picture of a beaver caught in a trap. This was emblematic of the financial basis on which Missouri's prosperity was first built. For if there was anything that the early French settlers lacked and were unconcerned over, it was money. There was always a shortage, but the presence of all kinds of fur-bearing animals gave them a medium of exchange which made the presence of money almost unnecessary.

Skins of all kinds were currency in the earliest days of Missouri. The value of furs brought into St. Louis was estimated in lives. Actually no lives passed hands, but the furs of beaver, deer, buffalo and other animals were estimated in value and the values were carried on the books. This system worked very nicely. A trapper brought in his pelts to a company warehouse. The bundle was weighed. For each kind of fur there was a value per pound expressed in lives. When this value was entered to the credit of the seller, he could trade or buy against it. This was not the kind of barter practiced by colonists on the Atlantic borders—it was cash without coin or paper, banking in the earliest form known in Missouri.

**No Pressing Need**  
Actually there was no pressing need for the money in the rural areas for money. The only purchases required to be made were coffee, tea, sugar, and such groceries as formed the luxuries of pioneer life. Gottfried Duden, an early traveler in Missouri, reported that "the family lives carefree and happy without the least bit of really money on hand. . . . If the man of the house does bring home some money, then his wife finds herself at once in need of something and the peace of the household is usually disturbed until everything has been spent at the nearest store, usually for gew-gaws." This might imply that

while the standards for money have changed, the women haven't. Each section of the country used its most abundant product as currency. So while in southeastern Missouri lead was used, in other sections of the state salt and beaver passed as currency.

A convenient, but limited form of money substitute, was a carotte of tobacco. This article was a solid roll of the shape and appearance of a hologna sausage. The carottes had a definite weight, like packs of fur, and their usual value was about two lives. The fact that they were so easily carried and the fact that almost all the grown population, male and female, took snuff and carried his or her snuff box habitually, made it handy. The snuff was not ground but rasped or grated from the end of the roll.

**"Hard" and "Fur" Money**  
With the beginning of the Spanish colonial government in 1770 came coins, not in general circulation at first, but enough to make some financial confusion. To distinguish, the habitants called the silver coins "hard money" and the other "fur money." For many years fur money was the most common, for any person lucky enough to possess hard money generally hid it away and hoarded it.

But as the Spanish dollar became more prevalent in Missouri the need for small denominations was felt. To satisfy this demand, the dollar was put on a block of wood and tapped smartly with a case to cut it into four pieces. This made quarters. The quarters were tapped into halves and that made "bits." For a long time the bit, which amounted to 12 1/2 cents in silver, was the lowest denomination of money in St. Louis. If a customer bought less than a bit's worth, he got his change in the form of pins or needles or sheets of paper. Even the French habitants mastered the mysteries of the bit and learned to say "aexx beets" for a lend of wood.

**REA Loans are Made to "Co-Ops"**  
WASHINGTON, June 15—(AP)—The Rural Electrification Administration today announced the following loans:  
West Central Electric Cooperative, Higginville, Mo., \$320,000.  
The Southwest Electric Cooperative, Bolivar, Mo., \$930,000.

Excavations have shown there were nine successive cities on the site of Troy in Asia Minor.

**BOTTOMS UP!**—A little wine instead of coffee starts the day off with bang for Leo Young, 55-year-old Brooklyn trucker. Claiming to eat even more than "Diamond Jim" Brady, Leo leads off an average meal with consommé and an antipasto, wraps himself around a 5 1/2-pound steak with plenty of french fries, lopped off with a slice of lemon meringue pie. A few more steaks provide the hefty heavyweight with hors d'oeuvres and a cup of coffee royal gets him out of his chair. Leo claims bowling keeps him trim.

## Clear Housing Bill for Action

By Francis M. Lemay

WASHINGTON, June 15—(AP)—The long deadlock on President Truman's multi-billion dollar housing bill was broken Tuesday at last.

The house rules committee, which killed similar legislation last year, voted 8 to 4 to clear it for immediate house action. The bill already has passed the senate.

A committee coalition of Republicans and southern Democrats, which has been blocking action, collapsed before the threat of Democratic leaders to use new "anti-bottleneck" procedures to by-pass the committee.

Rules Chairman Sabath (D-Ill.) announced immediately he would call the bill up for debate next Tuesday, with a vote expected Friday or Saturday.

The measure represents one of Mr. Truman's major campaign promises.

It calls for a vast program of slum clearance, low-cost housing and farm housing aids. Its cost has been estimated all the way

## Transport in With 1,400 of War Dead

OAKLAND, Calif., June 15—(AP)—The army transport Pvt. John R. Towle Tuesday returned 1,400 war dead from Pacific areas.

The men who died in World War II will be buried in their home towns.

Most of the bodies were taken aboard the transport at Manila. Others came from Honolulu.

## Lost Large Tarpon

John Atkinson, 217 East Sixth street, reported to the police Tuesday afternoon that he had lost a large tarpon, 14 by 16 feet, off his truck. He reported that the tarpon could be identified by green paint stains.

There are more than 120 species of asparagus.

## Otterville

Mrs. T. R. Cranmer

Mr. and Mrs. Raymond Hansen and family left Friday for Denver, Colo., where they went on a business trip.

Mr. and Mrs. Herbert Kuhn and daughter Kathryn Ann, have as guests, his brother and sister, Mr. and Mrs. Larry Kuhn of Denver, Colo., and Mrs. T. J. Morris and family of Richland, Wash. On Friday, they all motored to the Lake of the Ozarks where they remained until Saturday afternoon.

Mr. and Mrs. Dick Baker went to Fayette, Monday morning to be present for commencement. Their son Franklin, was a member of the graduating class.

Miss Mary Shultz, who is a member of the faculty at Lindenwood college at St. Charles, came Sunday for a vacation visit with her mother, Mrs. Nanna Shultz and other relatives and friends.

Mr. and Mrs. Harvey Talley, are parents of a daughter born June 2. They have given her the name, Sandra Jo.

Mr. and Mrs. Ernest Bailey, had as guests over last week-end their sister-in-law and daughter, Mrs. Pearl Kalle, Mrs. Ruth Hales, Mrs. Carl Gilmore, Mr. and Mrs. Carl Hahn, Mr. and Mrs. Henry Hamilton, and son Ronny all of Kansas City. They also visited in the home of Mrs. Halley's brother, Mr. and Mrs. George Burford.

Mr. and Mrs. Earl Leaton and son Russell were guests last Sunday of Mr. and Mrs. Lester White at Nelson.

Lawrence Spahr of Buncheon, visited Memorial Day with his uncle and aunt, Mr. and Mrs. H. Roger Starke.

Mrs. Robert Tyler of Sedalia spent Saturday night and Sunday with Mrs. Maria Layne.

Mrs. Sallie Smith, who has made an extended visit in the home of her daughter, Mrs. Logan Cary at Oklahoma City also with Mrs. Carl Hahn, Mr. and Mrs. Luckett Smith at Lawrence, Kas., has returned and is visiting with another son, Mr. and Mrs. Leo Smith and son Jack, southwest of town.

Mrs. Pauline Spillers spent Tuesday with Mr. and Mrs. Dennis Brunkhorst, south of Otterville.

Mr. and Mrs. A. L. Schillb attended the Shilb reunion at California, Mo., last Sunday at the American Legion Hall. About 100 registered. In connection with the baskets full of contributed dinner, 74 pounds of dried fish was served.

Mr. and Mrs. Shilb's sons, Mr. and Mrs. Morris Shilb and son, Mr. and Mrs. Jewel Shilb and Mr. and Mrs. Billy Shilb, all of Sedalia were in attendance.

Miss Enid Wherley of Steamboat Springs, Colo., visited her uncle, T. E. Wherley Wednesday and Thursday.

Mrs. Carrie Spillers spent Wednesday in Warrensburg, the guest of her brother, Mr. and Mrs. Jess Fawcett.

Mr. and Mrs. F. L. Cole and sons Frank and Rev. Parrie L. Cole, attended the reunion of the descendants of Hannah Cole near Booneville Tuesday.

Mrs. A. Y. Burford and daughter, Miss Frances Jean, spent last week-end at their home in Otterville. They are attending the summer term at C. M. S. C., at Warrensburg.

G. W. Harlan and Mrs. Maria Layne were guests of his daughter, Mrs. J. C. Miller, Dr. Miller and two daughters of Columbia Monday and Tuesday and attend-

**LOUISIANA'S CREPE-DRAPE**—A mournful motorist pulls up to a crepe-draped gas pump in New Orleans, La., where he'll shell out anywhere from 30 1/2 to 32 1/2 cents per gallon for gas. Demonstration marked "Black Tuesday," first anniversary of the two-cent gas tax increase passed by the Louisiana State Legislature.

of the graduating exercises at Christian college. Miss Barbara Miller was a member of this class.

Mr. and Mrs. Lewis Leaton and son Harry Leaton and daughter Carolyn, attended the home coming and children's day program at Smith's Chapel in Saline county Sunday.

The Ephraim Rebekah Lodge met in regular sessions Monday evening at the I. O. O. F. hall when they were honored by Mrs. Helen Brown and Miss Gladys Chaney of Lincoln. Miss Chaney gave a very interesting report of the Grand Lodge which she attended at St. Louis in May.

Mr. and Mrs. Glenn Ripley visited his son, Mr. and Mrs. Paul Ripley and family at Tulsa last week and attended commencement at Tulsa University. His son Paul Ripley was a member of the graduating class.

Miss Dorothy Ross of St. Louis spent Sunday and Sunday night with her uncle and aunt, Mr. and Mrs. T. R. Cranmer. She motored to Kansas City and on Wednesday, in company with Miss Mary Alexander, left for Denver, Colo., for a two week vacation trip.

Supt. and Mrs. V. C. Harrison and son Phillip, left Monday for Columbia, where Mr. Harrison will attend the summer session at the university.

Friends here received word of the death of Dr. Robert E. Howlett at Richland, Saturday morning, June 4 after a lingering illness of more than a year. Dr. Howlett, was born and grew to manhood, east of town, the eldest son of the late Dr. R. E. Howlett and Mrs. Howlett. One sister, Mrs. Helen Edwards of Slater, is the only living member of this pioneer family who survives. His funeral and burial was in Richland last Tuesday afternoon at 2:00 o'clock.

Mr. and Mrs. Kenneth Williams and small son of Sedalia were guests of his aunt, Mrs. Martha Everett, Monday evening.

Mr. and Mrs. George Burnett and small daughter Suzette Hope, were Sunday dinner guests of his

**Come to the Phillips 66 "OPEN HOUSE"**  
at Phillips' new, ultra-modern motor oil plant  
Kansas City, Kansas, June 21st and 22nd

You're invited to visit America's newest, most modern motor oil plant.  
To show you its latest and greatest achievements in the manufacturing and packaging of fine quality motor oils, Phillips is having a gala "housewarming party" at its new plant in Kansas City, Kansas, June 21st and 22nd.  
Bring your family and friends. There'll be refreshments and guided tours and a friendly welcome for everyone. You've never seen anything

to compare with this new plant where Phillips blends the motor oil that gives your car "Lubri-tection." You'll be thrilled by its ultra-modern equipment... miraculous new machines that fill and seal up to 250 cans of oil a minute... with automatic blenders and precision controls for purity and uniformity.

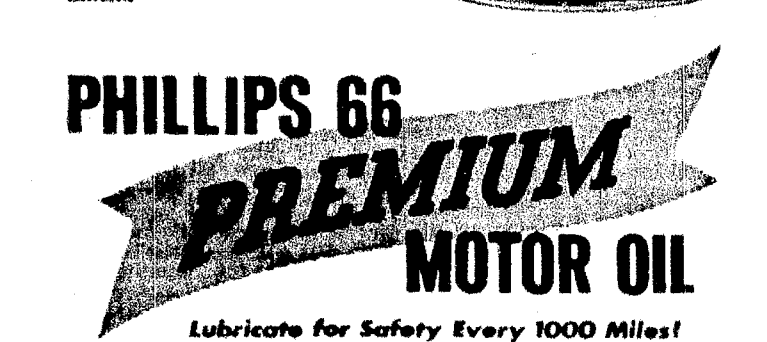

It's going to be a good show, so be there if you possibly can. Any Kansas City Phillips 66 Dealer can give you directions for reaching the plant.  
P.S. If you can't be in Kansas City, June 21st or 22nd, why not pay us a visit the next time you're in our part of the country? You'll always be welcomed!

**GET "Lubri-tection"!**

Lubrication *plus* engine protection...you get both when you buy Phillips 66 Premium Motor Oil

Like nearly everything else these days, a new car will cost you a lot more than you'd have paid just a few years ago. Repair charges are way up, too. Better help protect your engine and your pocketbook with Phillips 66 Premium Motor Oil.

With this fine motor oil you get lubrication plus the protective qualities provided by chemical additives which help prevent formation of dangerous sludge and varnish. This money-saving combination is called "Lubri-tection." Ask for it at stations where you see the orange and black Phillips 66 Shield.

**PHILLIPS 66 PREMIUM MOTOR OIL**  
Lubricate for Safety Every 1000 Miles!

**REDS LOSE FACE**—German railroad strikers rip down a large portrait of Stalin in order to turn it around, after forcing their way into the Russian-controlled railway headquarters in the U. S. sector of Berlin. The rampaging strikers turned all pictures of Stalin and Lenin face to the wall. (Photo by NEA-Acme staff correspondent AJ Cocking.)

**DOUBLE TAKE**—Gen. H. H. Arnold walked into President Truman's office as an Army officer and left as a member of the Air Force. Here, the President presents the nation's top war-time air officer with a special commission transferring him from one service to the other. The Air Force was set up as a separate unit after the five-star general retired.

## READ THIS STATEMENT of FACTS

This store has sold many bottles of Excelsior Springs Mineral Water in the past three months and I am convinced that it offers more hope for sufferers of rheumatism and arthritis than any product that can be sold over the counter in this or any other drug store. It is a pleasure to recommend and guarantee it to you.

(Signed) A. B. Warren, R. Ph.  
Main Street Cut-Rate Drug.

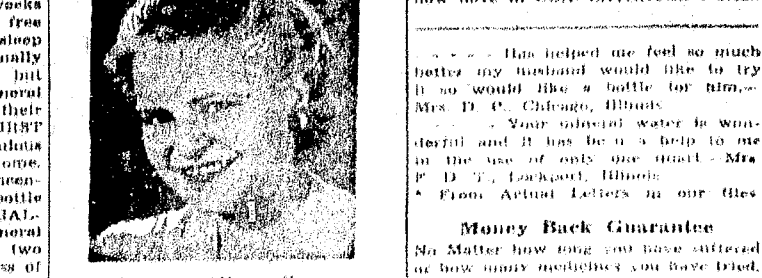

## GOOD HEALTH FOR YOU FROM Excelsior Springs

Clinical experience reveals **NATURAL MINERALS** bring new hope for thousands suffering from rheumatism, arthritis, neuritis, stomach ailments, lack of vitality, nervousness, bloating.

**Health without Drugs**  
For years many sufferers of rheumatism, arthritis, and neuritis, and kindred ailments have been told to "take pills, powders and other medicines. These only serve to deaden the pain temporarily. They have no effect on a common cause of rheumatic pain. They merely give you a temporary relief. They can't sleep at night, wake up stiff and sore in the morning. They can't even relax from pain until you do something to drive these poisons out of your system? Now hope for relief is yours if you take **NATURE'S OWN REMEDY—Famous SVA MINERAL WATER** direct from Excelsior Springs. It contains NO drugs, NO poisons, NO chemicals, just nature's own minerals—the **BEST REMEDY** for rheumatism, arthritis, and stomach ailments.

Excelsior Springs Mineral Water Therapy 14,440 of these sufferers definitely stated that they had received RELIEF from their ailments. It is not claimed that Excelsior Springs Mineral Water is a cure-all; however the fact that 14,440 of those treated found relief is certainly impressive. Much of this success was due to the famous SVA Mineral Water because it removes from the body the poisons that cause these dread diseases. This is the same SVA Mineral Water which you can now have in **CONCENTRATED FORM**.

**Gives Wonderful Relief**  
Has helped me feel so much better my husband would like to try it so would like a bottle for him.—Mrs. D. C. Chicago, Illinois.  
Your solvent water is what I need and it has been a help to me in the use of only one quart.—Mrs. P. D. T. Lockport, Illinois.  
From Actual Letters in our files

**Money Back Guarantee**  
No Matter how long you have suffered or how many medicines you have tried, up to your drug store now and get one bottle of SVA Mineral Water. Expect quick amazing relief. Proven or your money refunded. **TRY IT TODAY!** And your body of the poisons that cause rheumatism, arthritis, stomach disorder, and that "old worn-out feeling." Only \$2.95 for one quart that equals five gallons enough for a full month's treatment.

# Holden Chiefs Won 4-1 Over Sedalia A's

Game Was Played At Holden on a Wet, Soggy Field

The Sedalia Athletics dropped a game to the Holden Chiefs Tuesday night by a score of 4-1, before a record crowd at Holden, who witnessed the game on a rain soaked diamond.

Tonight at 8:15 o'clock, the Athletics will shoot for their eighth victory when the team faces the Marshall Redbirds under the lights of the Liberty park diamond. This will be the eleventh game of the season for the Sedalia Athletics.

**Walker Hurling For Sedalia**  
Rus Walker, right-hander, was on the mound for Sedalia Tuesday night. He allowed four scattered hits, struck out nine batters and allowed two earned runs. Three walks and two errors helped the cause along for Holden in scoring their runs.

Holden was on the left for Holden. He allowed nine hits and struck out 10 Sedalia batters. Evans and Taylor led the attack for Sedalia. McMackin, catcher, knocked the ball into left field in the seventh inning for a double.

**Griffin Had Perfect Night**  
Griffin, catcher for Holden, had a perfect night, getting three for three, of Holden's four hits.

The Athletics scored their lone run in the seventh when Taylor singled and McMackin doubled in that inning. Holden scored its first run in the third on a walk, sacrifice and a double. Their second run came in the sixth on a single, error and a long fly ball. In the eighth inning, the team scored the other two runs.

The fielding of Wolfe, second baseman for the Athletics featured the game. The fielding of the entire Holden team was good, only one error being made for the night.

A return game with Holden will be played Sunday afternoon at Liberty park.

## Lubanski Hurled His 4th Shutout

**By The Associated Press**  
The Muskogees leads a game and one-half ahead of the field in the Western Association race today.

The Reds stretched their margin last night by winning a doubleheader while Joplin and St. Joseph, the number two and three teams, picked up single victories.

The Salina Bluejays were the victims at Muskogee. Ed Lubanski hurled his fourth shutout of the season in the second game as Muskogee won 6-0. Lubanski has won 15 games this year.

Joplin also finished strong at Leavenworth, winning 14-5. Carl Sellers was credited with his seventh victory without defeat.

St. Joseph won from Topeka 8-2. Manager Hal Ott led the Cardinals with four hits in five times up.

Port Smith treated a home crowd to a double victory over Hutchinson, 9-7 and 10-4 to go into a tie with Salina. Chief manager Hal Kollar led his team with a home run in each game.

Tonight's schedule: Topeka at St. Joseph, Joplin at Leavenworth, Hutchinson at Port Smith and Salina at Muskogee.

The Standings					
W	L	Pct			
Muskogee	34	13	.708		
Joplin	31	14	.688		
St. Joseph	31	15	.673		
Topeka	26	20	.568		
Port Smith	26	20	.568		
Hutchinson	20	30	.400		
Leavenworth	9	33	.214		
Hutchinson	9	40	.184		

## Second Base Spill

Brooklyn second baseman Jackie Robinson (42) sprawls over the sliding form of Chicago outfielder Harry Walker (43) as the latter was forced at second for the first out of a double play in a game at New York. Walker was forced when Cubs second baseman Emil Verban grounded to Dodger shortstop Pee Wee Reese, who threw to Robinson covering second. Robby's throw to Gil Hodges, Brooklyn first baseman, was in time to nip Verban. Umpire George Barr calls the play. (AP Wirephoto)

## Meyer Scores

Pitcher Russ Meyer of Philadelphia Phillies scores from second on Richie Ashburn's hit to center field in the third inning of a game with the Chicago Cubs at Chicago. All Walker, Cubs' catcher, takes throw on the close play. No. 2 is Phillies' Shortstop Gran Hamner. (AP Wirephoto)

## The Browns Finally Beat Senators 7-2

St. Louis Previously Dropped 8 Games To Washington

By Joe Kelschier (Associated Press Sports Writer)

Virgil (Fife) Trucks, Detroit's strong-armed right-hander, is now challenging New York's Vic Raschi for American league pitching honors.

Trucks is even outbalancing Hal Newhouse, his blustrious southpaw pitching mate. With the season only one-third gone, the 30-year-old Alabamian already has won nine games against three losses. Only Raschi, with 10, has won more. Newhouse has won seven.

Trucks gave further indication last night that he was out to make this his greatest year when he limited Philadelphia to one hit as the Tigers blanked the Athletics, 4-0. Only a fifth inning single by Hank Majeski prevented him from hurling the season's first no-run, no-hit game. Elmer Valo, who walked in the second, was the only other Mackman to reach base.

Raschi notched his tenth triumph against one defeat without much trouble as the Yankees shelled the Chicago White Sox, 10-3. An eight-run sixth inning at the expense of loser Bill Wirtz, Alton Gettel and Marlin Pierotti changed a tight pitching duel to a rout.

**Indians Defeated Red Sox**  
The apparently revitalized Cleveland Indians vaulted from sixth to fourth place in the American league standings after soundly trouncing the Red Sox in Boston, 10-3. A six-run first against Joe Dobson, followed by a three-run second against Tex Hughson made it no contest.

Bob Feller, who had lost his last five starts, went all the way for the Indians to gain his second victory of the season, both at the Red Sox's expense.

Joe Gordon hit a grand slam home run in the first inning. The St. Louis Browns finally beat Washington, 7-5, after losing eight straight decisions to the Senators. Lefty Joe Ostrowski pitched six-hit ball to gain his

Dick Krayhold will continue studying at Bergen Junior College, Teaneck, N. J., when he is not playing first base in the Yankee chain.

The Philadelphia Phillies ruined Frankie Frisch's debut as manager of the Cubs. They walloped Chicago, 9-2, in the only afternoon clash in the majors. Andy Seminick paced the Phils 11-hit attack with a three-run homer, his 12th.

## Legion Post 16 Won Over Slater 9 to 1

'Bill' Brown Hurls Fine Game Getting 20 Strikeouts

"Bill" Brown pitched the Sedalia Junior Legion Post 16 baseball team to a well-played 9 to 1 victory over the Slater Junior Legion team at Liberty Park, Tuesday night. It was Sedalia's fourth straight league victory.

Brown was almost a one-man team for the evening. He had 20 strikeouts, allowing only three hits, walked just one man, and led his team in hitting with two for four. Neidholt was his battery mate.

Hayob pitched the first seven innings for Slater, allowing eight hits that were good for six runs, five walks, and got one strikeout. Rice then went in to relieve him, allowing three runs on one hit and two walks. He had two strikeouts. Winston was the catcher.

The game was played well, considering the wet condition of the field, but five errors were charged, four to Slater and one to Sedalia.

The score by innings:  
Slater ..... 000 001 000—1 3 4  
Sedalia .... 021 030 03X—9 0 1

Sedalia's next game will be at Slater on Thursday night, when they meet that team for a return tussle in a league game.

## Merchants Beat Concordia 9-4

After committing four errors in the first inning to account for two of the four Concordia runs the Sedalia Merchants softball team settled down behind the 4-1 bit pitching of Norman Thompson to defeat Concordia 9 to 4 in a game played at Concordia Tuesday night.

Allowing one hit in the first inning, Thompson scattered three others throughout the following six frames, while his teammates proceeded to amass ten hits which accounted for the nine runs.

John Swisher, Sedalia catcher, led the power attack with a double and a triple in four trips. Paxton came through twice, in three times at bat and both Funnell and pitcher Thompson hit two safeties in four attempts.

Hud Michaels and Lester Whitely, playing with the Merchants for the first time, gave the team added support. Frank Lucke, regular second baseman for the past three years, who lost the first finger of his left hand in an accident at work, will be unable to finish the season in that position and will serve as coach for the remainder of the year.

The score by innings:  
Concordia ..... 200 200 0—4 2 4  
Sedalia ..... 001 230 3—9 0 1

Eighty-one runs wheeled across home plates in the K-O-M League last night and when the last run scored only one change had been made in the standings.

Independence trimmed Chanute 12-2 to go into a first place tie with the Iola Indians who split a double bill with Pittsburg. Pittsburg won the opener 8-4 and Iola the second 4-2.

Ponca City split a doubleheader at Miami, dropping the first game 9-7 and taking the second 10-0. Carthage had an easy time with Dardanelle 12-5.

The game at Carthage was finished under protest. Bartlesville Manager Ted Guille claimed the home umpire ruled a seventh inning pop-up an infield fly, then changed his decision. Carthage claimed the first out in the seventh inning on five hits, a walk and an error. Phil Costa, Carthage centerfielder tripled with the bases loaded for three of the runs.

Miami shortstop Duane Melvin started the Owls off right in the first inning, blowing the first game, 4-0. The Owls' first game, 4-0, was a walk and an error. Phil Costa, Carthage centerfielder tripled with the bases loaded for three of the runs.

Miami shortstop Duane Melvin started the Owls off right in the first inning, blowing the first game, 4-0. The Owls' first game, 4-0, was a walk and an error. Phil Costa, Carthage centerfielder tripled with the bases loaded for three of the runs.

**RUN-DOWN PLAY**—Red Schoendienst of the Cardinals was trapped between third and home in the ninth inning at Braves Field when Eddie Kozak hit a ground ball to Bob Elliott, middle. The catcher is Phil Masi. Schoendienst succeeded in scrambling back to third, but Stan Musial, shown with his foot on the bag, had come on from second, and was out because there was no place for him. Alvin Dark of the Boston club stands beside Musial. The umpire is Lee Ballanfant. Despite the mixup, the St. Louis Nationals scored three runs in the inning as insurance, and swept the three-game series.

## Women's Golf Tourney Has Competition

Carol Clark Faces Task of Stopping The Champion Today

By Ken Davis

COLUMBUS, Ohio, June 15.—(AP)—Carol Clark, who practices on a nine-hole postage stamp course in southwestern Ohio, faced the rough task of stopping the champion in the Women's Intercollegiate Golf tournament today.

And stopping Grace Lenzy of Hartford, Conn., in her march to a second college crown appeared anything but easy.

Miss Lenzy, representing John B. Stetson University, coasted through the first round yesterday with a 4 and 3 victory over Clara Jane Mosack of Detroit's Rollins college.

Miss Clark won the dubious pleasure of matching strokes with Miss Lenzy with an easy victory over Nancy Mayes of the University of North Carolina, 6 and 4.

**Baker vs. Dobbin**  
The other upper bracket match over the scarlet course of Ohio State university brings today's early Baker of Lima, Ohio, a Rollins college sophomore and Jeanie Dobbin of St. Louis, a university of Miami freshman.

Down in the lower bracket, where the competition has been the keenest, two slim-bang matches are on the schedule.

Long hitting Marilyn Smith of Wichita, Kan., University of Kansas sophomore, trades swings with Polly Martin, a University of New Mexico second-year student. Miss Smith was runner-up in 1940.

Veteran Shirley Spork of Detroit, Michigan State Normal graduate, tangles with Pauline Frey of Canton, O., and Ohio State university.

Yesterday's giant-killers meet in today's early match. Miss Smith and Miss Martin. The smiling Kansas topped the tourney medalist, Barbara Chaine of Kalamazoo, Mich., 3 and 1, while the New Mexico co-ed ousted Marilyn Herpel of Clayton, Mo., runner-up for the Missouri women's title, 1 up in 21 holes.

**Yesterday's Courts in Brief**  
**Tennis**  
ZAGREB, Yugoslavia.—Yugoslav David City tennis team took a 2-1 lead over Sweden in European zone quarter-finals play.

**LONDON**—Top-seeded Americans, led by favored Ted Schroeder of La Cressetta, Calif., against with ease in Queens Club tennis matches.

**General**  
**LONDON**—British Boxing Board of Control announced it would recognize winner of the coming Bruce Woodcock—Leo Savold fight as world heavyweight champion.

**HOUSE CAVE, Ky.**—Charles B. (Uncle Charley) Moran, 70, former National League umpire and football coach, died at his home following extended illness.

**The Standings**  
NEW YORK, June 15.—Major league standings not including today's games:

Cincinnati	22	31	.415		
Pittsburgh	22	32	.406		
Chicago	19	32	.373		

## Dodgers Beat Cards 7-2 on Rainy Field

Redbirds Pulled a Fast Triple Play in The First Inning

By the Associated Press

The St. Louis Cardinals came up with a dazzling triple play in the first inning last night but it did little to stave off the onslaught of the Brooklyn Dodgers who hammered out a 7 to 2 victory at rain-swept Sportsman's park.

The triple play — the second in the majors this year — was executed after Brooklyn already had scored two runs.

With the bases loaded Jackie Robinson drilled a single through first base, sending Peeewe Reese and Mike McCormick in. Gil Hodges then lined sharply to Marty Marion. A fast toss to Red Schoendienst caught Carl Purillo off second and another throw to Nippy Jones snapped Robinson off first base.

**Pollet Was Losing Hurler**  
It was the eighth straight win for Brooklyn, which extended its National league lead to three games over the Cards. The Dodgers pounded four St. Louis pitchers for 16 hits, while the Cards were collecting 10 from Preacher Roe — who was in trouble only once.

Howie Pollet was the losing pitcher.

After the two-run start, Brooklyn scored one more in the second and twice in the fourth, when the Cards countered with two runs of their own.

In the sixth, Gene Hermanski slapped out a homer with Reese on base to extend the Dodgers' lead.

**22,300 Fans**  
Almost 23,000 fans witnessed the contest, played in intermittent rain.

In Washington, the St. Louis Browns thumped the Senators 7 to 2 to gain its first decision over

## More Pay for State Patrol

Plan Evolved Also Would Provide for Retirement Pay

JEFFERSON CITY, June 15—(AP)—State Highway patrolmen would get a salary increase under a bill passed last night by a senate committee Tuesday night.

The pay of the superintendent would be linked from \$5,000 to \$6,000 a year. Captains would be raised \$800 a year to \$5,000; lieutenants and radio engineers would get an increase of \$300 a year to \$4,000; sergeants would be raised from \$2,500 to \$3,300, and patrolmen and radio personnel would get \$3,000 a year instead of the present \$2,400.

The measure also increases the clothing allowance from \$10 to \$15 a month and the number of patrolmen from 215 to 260.

**Retirement Plan**  
Members of the State Highway Patrol and the Highway Department would have their own retirement system under a bill advanced by the house today.

Rep. F. E. Robinson (D) of Knox county, the author, said in a few years the system would be self supporting.

Persons having worked ten years and who are 65 would be eligible for benefits. Employees would pay part of their monthly salary into a fund which Robinson said at first would be established with state money.

Payments would be in proportion to wages received, but could not be more than 1/60 of an employee's average final pay.

The measure now is in position for final action by the house. The house tentatively approved a bill to put all airports in Missouri under federal regulations under jurisdiction of the department of business and administration.

Rep. Marshall Gerten (R) of Lawrence county, the author, said of the 150 airports in the state more than 100 are not regulated by any department.

"Anyone who has 80 acres of cornfield can set up an airport now," Gerten said.

He said it would save between eight and ten lives in Missouri a year.

Other bills tentatively approved.

Extend to June 30, 1961 the date present old age assistance property limits. The present limit a pensioner can own and still be eligible is \$2,000 for a single person and \$3,000 for a couple. These limits expire June 30 unless the legislature extends them.

Make the stealing of rabbits at night a felony. Now stealing chickens is a felony if stolen at night and a misdemeanor if stolen in the daytime.

Persons found guilty of stealing rabbits would be sentenced to five years in prison, fined up to \$200, receive a two month sentence in the county jail, or all three.

Rep. Gene Nickle (R) of McDonald county, author of the bill, told the house he would appreciate the votes of representatives who don't steal rabbits.

The bill was approved 76 to 20.

**From Puerto Rico to Visit at Vernilles**  
Mrs. L. Carmen Maldonado with her three children, Jacob, Matilda and Becky arrived in the United States last week from San Juan, Puerto Rico. They came by plane and landed at Miami, Florida. They stayed one day at the home of her sister, Mrs. Edward Hunkeler. They left Miami at 10:30 o'clock one evening by Greyhound bus for a 48 hour trip to Missouri. They are visiting her sister-in-law Mrs. Wade Richardson and Mrs. Hamlin of Glenview, Mo. These ladies have also lived in Puerto Rico. Chaplain Maldonado will come to the states some time in July. Mr. and Mrs. Chaplain Maldonado have visited in the states before, but this is the first trip for their children.

Bear and bull baiting, popular in England for 700 years, were not prohibited by Parliament until 1835.

Bubbling was formerly considered an honorable form of execution.

"Eleven" and "twelve" were originally written "oneten" and "twotwen".

**FLYING FARMERS COME THROUGH**—These parked airplanes belong to members of the Flying Farmers, who, despite washed out roads and high water, managed to attend a fly-in at the Culbertson farm near Sterling, Kas. The newly constructed hangar on the Culbertson place is the building with the name on the roof. Culbertson was presented a trophy at the luncheon in recognition of the efficiency race award presented to him at the recent convention of the Flying Farmers. (NEA TELEPHOTO)

## No Action for A Toll Highway

JEFFERSON CITY, June 15—(AP)—An express toll highway running from St. Louis to Kansas City would cost about \$115,000,000, P. H. Daniels, assistant chief engineer of the State Highway department told a house committee Tuesday night.

Daniels gave the estimate during consideration of a bill to build a four-lane divided express highway between Missouri's two large cities. The committee took no action.

The committee also killed a bill which would have permitted each Missouri county to levy a gasoline tax. It was argued earlier before the committee. Now only the state and municipalities have the right to levy taxes on motor fuel.

Daniels said 12 intersecting roads would have to be closed, 32 roads relocated, eight new full-road crossings built, 17 major streams crossed, including a crossing of the Missouri river at one point.

Rep. Homer L. Pruett (D) from Lafayette county, author of the bill, said his measure was patterned after a law by which the Pennsylvania Turnpike was constructed. Pennsylvania spent \$70,000,000 on its 160-mile road back in 1938, he said.

Pruett estimated the toll charge for the 250 miles from St. Louis would be about \$2.50 or about a cent a mile. In Pennsylvania, he said, signs and concessions alone bring in between \$300,000 and \$500,000 a year to the commission.

A. L. McCawley, Jefferson City lawyer and former state senator, told the committee that a road has to be built at river level to pay its way.

**Alarm Due Short Circuit**  
The fire department answered alarm number 123 of the year at 3:45 o'clock Tuesday afternoon in a call to 1001 South Harrison avenue, where a short circuit in the 1939 Chevrolet of John Zulauf had caused a small blaze. One pump bucket was used in extinguishing the fire. Slight damage resulted.

The practice of drawing and quartering prisoners after execution was not abolished in England until 1870.

## Seven on Navy Transport Die

Aircraft in a Crash in Santa Monica Mountains

SANTA MONICA, Calif., June 15—(AP)—A navy transport, with all seven men aboard dead, was found Tuesday as fog lifted from the shores of Santa Monica mountains where it crashed last night.

The fog prevented an aerial search during much of Tuesday, but an air force plane finally spotted the still-smoking wreckage in Stone canyon, just below Mulholland drive, in the hills back of here.

All seven dead were members of the naval reserve from the Naval Air Station at Memphis, Tenn. They were on the west coast on a training mission, and crashed as they attempted to land in the fog last night after a flight from Moffett field, San Francisco.

Rescue crews, reaching the scene late today, called for bulldozers and 600 feet of rope to help bring out the bodies from the rugged canyon. The plane, an R4D (navy version of the DC3), apparently had piled up as the pilot banked for a turn after failing to land on one pass at Clover field, Santa Monica.

Moffett field said those aboard were:

Lt. Marshall H. Jones, Memphis, engineering and maintenance manager for Chicago and Southern air lines.

Lt. Albert Lafferty, New Orleans, first officer for C&S.

Lt. Walter E. Paul, Little Rock, attorney.

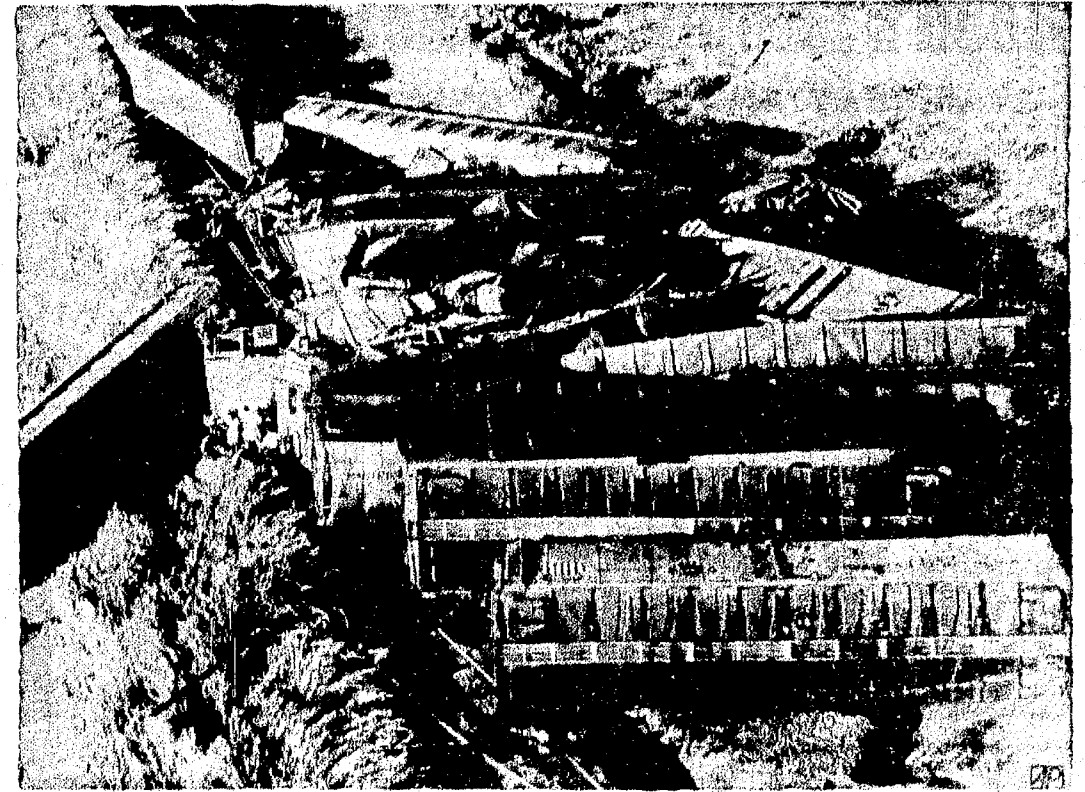

Lt. (JG) Garner P. Strickland, Jr., Memphis, a roofing company executive, who was piloting the plane.

Aviation machinist, third class, Thomas S. Daniel, Memphis, C&S mechanic.

A.M. 1/C R. H. Wigninton, Memphis, C&S instrument mechanic.

A.M. 1/C Warren E. Thomas, Memphis, C&S inspector.

## Freight Wrecked in Flood

This Frisco freight train was wrecked when it went into a washed-out section of track near Farmers Branch, Tex., during a heavy rain storm. Eighteen of the train's 40 cars were wrecked. Two crewmen were reported missing after the accident. (AP WIREPHOTO)

## Bill for State Service Ribbon

JEFFERSON CITY, June 15—(AP)—A bill to give each Missouri World War II veteran a state service ribbon was introduced in the senate Tuesday.

Sen. Milton F. Napier (R) of St. Louis, one of the sponsors, estimated the red, white and blue ribbons with the state seal in the center would cost ten to 15 cents each. Missouri has about 400,000 veterans, he said.

Sen. Paul Winans (D) of Kansas City introduced a bill to permit the sale of liquor to be legalized in Jackson county from the hours of midnight Saturday to 1:30 a. m. Sunday. Liquor sales could be barred from midnight Sunday to 1:30 a. m. Monday.

Similar legislation was killed in the house recently.

Winans also offered a bill to cut truck license fees on a ton-mile basis and give the state mobile service commission authority to regulate all motor carriers.
